

TOEIC® Preparation Interactive

Scope & Sequence

The syllabus consists of a pre-test, a post-test, and seven parts that correspond to those found in the TOEIC® exam. Each part introduces test-taking strategies, vocabulary-building exercises, or grammar review exercises where appropriate. A review quiz and further practice material follow the review exercises in each part.

Pre-Test

Part	Strategies	Vocabulary Building	Grammar Review
Part I: Picture	Visual Clues, Similar Words, Similar Sounds, Prepositions	Food and Hotels, Travel and Transport, Office, Life, Industry, Technology	
Part II: Question-Response	Yes/No Questions, Information Questions		
Part III: Short Conversations	Read the question before you hear the conversation. Identify key words from the question. Read the answer choices. Listen for words in the answer choices as the conversation plays.		
Part IV: Short Talks	Read the questions before you listen to the talk. Identify key words in all the questions. Read the answer choices. Listen for key words in the answer choices as you listen to the talk.	Business Announcements, Special Announcements, Recorded Announcements, Advertisements, News Reports, Weather	
Part V: Incomplete Sentences			Adverbs, Conjunctions, Prepositions, Transition Words, Causative Verbs, Conditionals, Verb Tense, Phrasal Verbs, Word Families
Part VI: Error Recognition			Comparatives and Superlatives, Gerunds and Infinitives, Modals, Nouns and Articles, Participles, Pronouns, Subject-Verb Agreement, Word Order
Part VII: Reading Passages	Predict the Topic, Guess the Answer, Confirm Your Guess	Advertisements, Bulletins, Forms and Tables, Labels, Letters and Memos, Miscellaneous Readings
